

Shujaat Mehmood Qazi
Relationship Manager
Bank Alfalah Limited
Master in Business Administration
2003-2005

“Getting Education in Superior was a tremendous experience, to be always remembered.

The faculty members, interactive learning sessions

and caring administration made it a wonderful experience of my life. It enhanced my

professional knowledge; skill set and groomed my personality

for a successful career ahead”

He is working in Priority Banking and Wealth Management Group. His division provides an array of specialized products and services to the Bank’s High Net-Worth Clients. The Group is represented in the Bank by Royal Banking Centers at branches, where iconic services of private banking are provided to Priority Customers. Exclusive and magnificent ambiance, dedicated relationship managers, royal lounges, state-of-the-art banking facilities, sophisticated, well-trained staff and innovative products are features that distinguish the Group in a highly competitive environment.

Some of his achievements during his professional career are the Best Business Development Officer for three consecutive years till a change of his assignment. Also the Best Mentor of the area and the Best Anchor awards are a few to be mentioned.
